The Geometry of Things- May 29th

RACHEL ORMISTON'S *THE GEOMETRY OF THINGS* FINDS BALANCE AT TRUSPACE

SAVANNAH, May 14, 2009: *The Geometry of Things* examines the maintenance of order in everyday living, and confronts the resulting, compulsive need to control and defy the inevitable.

The Geometry of Things presents a series of photographs by local artist and SCAD Photography MFA candidate Rachel Ormiston.

Ormiston's images propose the impossibility of controlling every minute detail in life by showcasing serendipitous occurrences that break free from human control.

The opening reception for *The Geometry of Things* will be held May 29, 7-10 p.m. The show will be up May 29-June 3 at TruSpace Gallery.

For more information about the artist, please visit www.rachelormiston.com.
