### MAPPING ONE'S DESTINATION: FIBERS EXHIBITION AT TRUSPACE GALLERY

SAVANNAH, JUNE 12, 2009: Local artist Karin Soderholm will present ***You Are Here?***, a series of stitched maps made of clothing remnants. In the exhibition, one map relates to another and begins a dialogue between person and place.

The familiar indication, "You are here," helps people find their place in the language of maps, personalizing the experience of reading a map.

The materials Soderholm uses reinforce the personal association with each place, while the mending stitches join the remnants to repair and reconnect.

More about Soderholm can be found at her blog: <http://karinrebekah.wordpress.com>

The opening reception for ***You Are Here?*** will be held June 26, 6-9 p.m. The show will be up June 26-July 1 at TruSpace Gallery.
